

# World T.E.A.M. Sports

Changing Lives through Sports

## 2012 DONATION FORM

Thank you for your interest in donating to **World T.E.A.M. Sports**. Your generous, tax-deductible gift will help **World T.E.A.M. Sports** create and manage several signature world-class outdoor sporting events involving both disabled and able-bodied participants. In addition, your donation will help us maintain a growing community of caring, knowledgeable people like yourself.

Our mission is simple and direct:

**World T.E.A.M. Sports** changes lives through athletics. We use sporting activities to challenge disabled and able bodied men, women and children to reach accomplishments they never thought possible.

At **World T.E.A.M. Sports**, "The Exceptional Athlete Matters." Every participant in our events is exceptional. Disabled participants increase self confidence, are a model to other disabled citizens, and inspire the able-bodied.

**World T.E.A.M. Sports** is a 501(c)(3) not-for-profit organization headquartered in Washington, D.C. Support comes primarily from individual and corporate donations and sponsorships.

"For most people, the road to recovery starts when they enter a rehabilitation hospital. But for me, the recovery process started in March 2007 when I left my final rehabilitation hospital and joined a team called **World T.E.A.M. Sports**. That's when I accepted the challenge of riding the Face of America Ride—my very first ride and a ride that changed my life! As I look back to the harsh reality five years ago knowing I would never walk again, I am extremely humble and grateful that the Lord put **World T.E.A.M. Sports** in my life to be able to give me challenges that would in the most positive way alter my quality of life."

- Eric Frazier, US Marine Corps, Face of America participant and candidate for Paralympics Biathlon
